PRESIDENT'S MESSAGE

Despite the pandemic in 2020, we still lifted people up and impacted lives. I would like to appreciate all the executives and members of Vickies Foundation for the hard-work they put in to deliver excellence and teaching to Students, our external tutors for their dedication and support, and our members and donors for a successful Charity event.

You have put a smile on people's faces and help many achieve their academic dreams.

Thank you all for helping Vickies Foundation impact lives, let us do more this year.

Welcome to 2021.

Victoria Tanimowo
President and Founder

FOUNDATION OVERVIEW

About US

Vickies Foundation is a non-governmental organisation which is focused on the education and career development needs of Nigerian children, students and youths. We recognise that education is the remedy for all kinds of social ills and that the foundation of a good education is the means to pass on knowledge communicated through the written medium of books.

Our Vision

To create libraries and supply books all over Nigeria, to meet the needs and aspirations of young people seeking a better life for themselves and their

Our Mission

To support children, students, and youths, enabling them to achieve their academic dreams and reach their full career potential.

Vickies Foundation has been established to tackle the issue of failing education due to lack of access to books and learning materials. The Foundation sources and then donates books to these schools and educational institutions, enabling them to meet the primary needs of students.

WHAT WE DO

Educational Projects

- Library construction and books donation to disadvantaged primary and Secondary schools.
- Development Studies Library hub in Universities which will be easily accessible to the public.
- E-Library accessible to the general public.
- Free education for the less privileged.

- Introduction to free online course platforms for students.
- Vocational skills training.

Seminars and Career Guidance

- Leadership programs.
- Entrepreneurship programs.
- Volunteering and internship opportunities for students and youths to build their CV.
- Mentorship and guidance.
- Celebration of girls in sciences.
- CV Clinic
- Youth empowerment

Study Abroad Programs

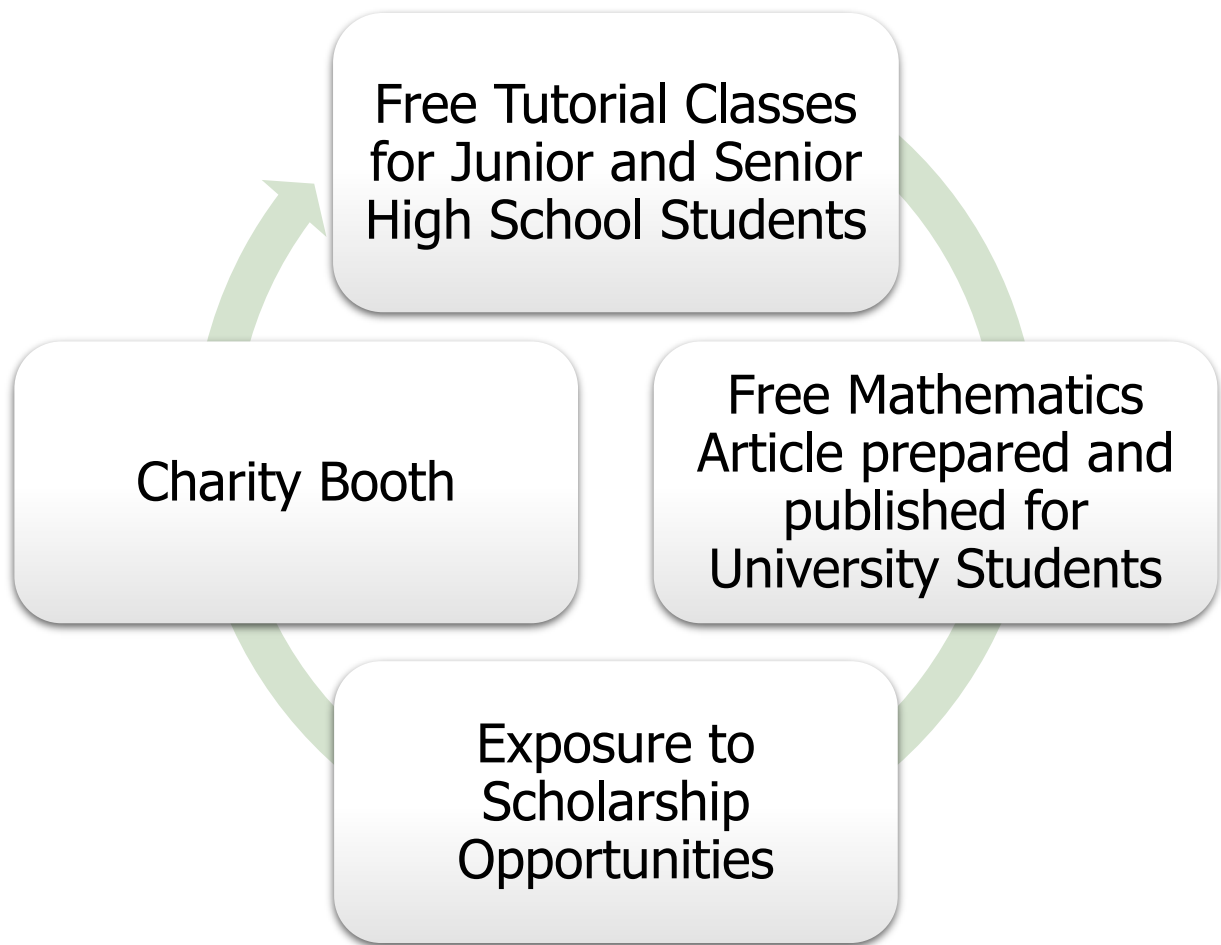

- List of fully funded government scholarship opportunities abroad.
- Scholarship application guidance.

The Homeless

- Charitable donation to the homeless.

and more...

OUR IMPACT IN 2020

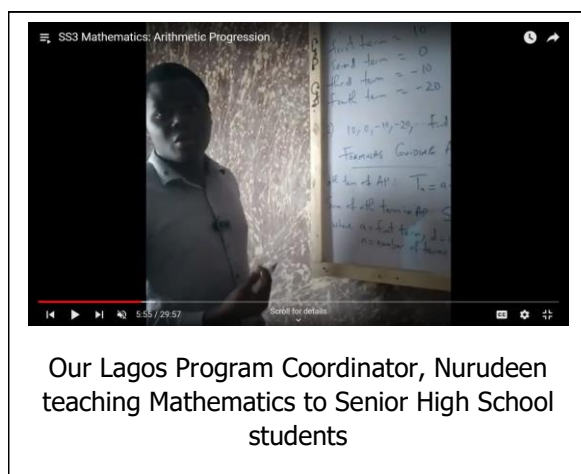

Free Tutorial Classes for Junior and Senior High School Students

We organised free tutorial classes for students (from May to July 2020) whom their education was cut-short due to Covid-19 and could not afford private tuition.

Tutorial classes were specifically for students who were preparing towards their Junior and Senior West African Examination.

Tutorial classes were in form of virtual learning which were uploaded on our YouTube Channel – <https://youtube.com/c/vickiesfoundation>

We uploaded 97 tutorial videos which ranges through 13 subjects and reached out to 689 students in Nigeria, Ghana, Sierra Leone, Gambia, and Côte d'Ivoire.

Free Mathematics Article prepared and published for University Students

We published our Mathematics article in September 2020.

The Mathematics document showed University students how to solve advanced Mathematical problems with the use of a calculator.

This document is important to Students especially level 100 students who are new to the University. It helps them solve multiple-choice questions faster.

This document was also published in time to help University students who were returning to school (after being stuck home due to COVID-19 and the Teacher's Strike) to prepare for their exams.

This document was published on our website –

www.vickiesfoundation.org/resources

Find the square root of $5 + 2\sqrt{6}$

Press your $\sqrt{\quad}$ square root key and insert your values

$$\sqrt{5 + 2\sqrt{6}} = 3.1462$$

Test the options $\sqrt{3} + \sqrt{2} = 3.1462$

Example 2: Find the square root of $28 + 2\sqrt{195}$

$$x^2 = 2$$

Sum of the root

$$15 + 13 = 28$$

Product of the root 15 and 13

Chapter Two: Operations of Real Numbers (Surd)

Exposure to Scholarship Opportunities

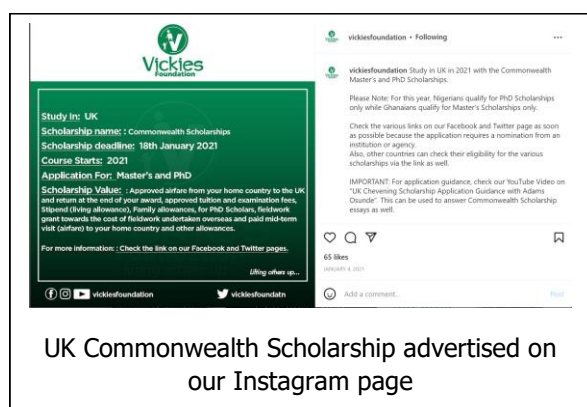

We started releasing global Scholarship updates to our audience in September 2020.

Scholarship updates includes Government funded scholarships from various developed countries.

Scholarship updates are centred around those who wish to study for their Master's degree or PhD abroad.

In September 2020, we made a video with one of our Volunteers, a Chevening Scholarship alumnus guiding students on how to answer the UK Chevening Scholarship application questions.

These updates will continue in 2021.

UK Commonwealth Scholarship advertised on our Instagram page

Charity Booth

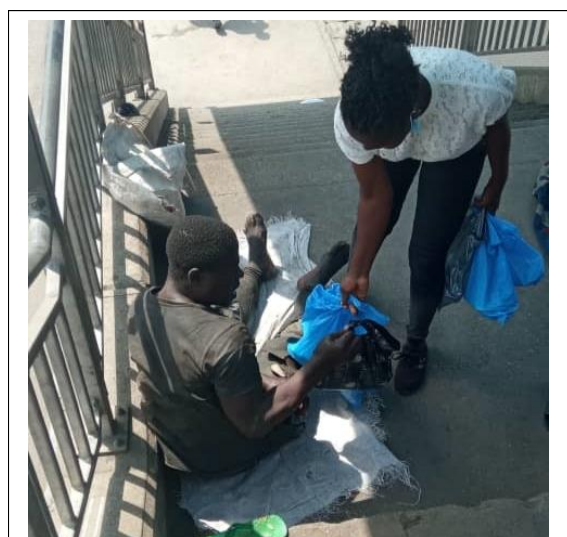

We organised a Charity donation to the homeless and marginalised in Ketu, Lagos – Nigeria on 26th December 2020.

The purpose of the event was to make them feel the Christmas love and also receive support as they are usually neglected throughout the year.

We provided food, drinks, support, counsel and a sprinkle of love to them.

Our donations came from Nigeria, Netherlands and the UK.

We fed 70 people in total.
